Gertrude Hawk® Candy Bar Fundraiser

8th Grade Fundraising for Washington, D.C. Field Trip

The AHMS PTA is here to help 8th Grade students raise the funds needed for their exciting 2020 Washington, D.C. trip! We will be sending information home regarding the year's various fundraising efforts we are organizing. For each student who participates, proceeds go directly toward the cost of their trip. Fundraising is starting early in an effort for students to cover the initial field trip payment due on October 18th.

We do have a few guidelines to share:

- Total earnings per student will be tracked by the PTA.
 - Funds raised over the cost of an individual's trip, will go toward reducing the overall trip cost for all students (or towards other 8th Grade activities during the year).
 - Funds raised are only allowed to aid students' field trips. (Chaperones are not able to benefit from funds raised through the school.)
 - Gertrude Hawk Candy Bar Fundraiser—students will pay for the boxes upfront and keep the money earned to pay towards their personal trip payments.
 - Additional Fundraisers—the PTA will issue vouchers to students to be used as a form of field trip payment.
- Please note:** The PTA will not issue refunds for personal over-payment of the school's field trip.

Candy Bars CAN NOT be sold to fellow students in the building DURING SCHOOL or ON THE BUS.

This first, and MAIN FUNDRAISER of our effort is underway! Students purchase 40-count boxes of premium Gertrude Hawk Chocolate Bars for \$40 a box. Students then sell the bars for \$2.00 each. That's a **\$40 earning per box!** Students keep the money earned to make their first payment toward the trip, or to buy another box of chocolate to sell. There is a **maximum of 8 boxes** allowed per student at \$40. (Students who wish to sell more can purchase a box at \$80, and the proceeds will benefit the entire 8th Grade.) Students/families in financial need and who are unable to pay the \$40 upfront, should contact a guidance counselor for additional options for participation.
